

Mainstreet Community Services Association, Inc. (MCSA, Inc.)  
Board of Director's Meeting  
November 15, 2016  
7:30pm

Present: President - Rick Harris, Vice President - Sharon Dickey, and Secretary - Patrice Diamond.  
Call to Order - The meeting was called to order at 7:40pm by President Rick Harris.

President's Report:

Animal Violations - Members of the community need to be conscience of their pet(s) defecating in/on residents' property when walking their pets. The use of pooper scoopers is required according to DeKalb County ordinances, and residents should pick up after their pet(s).

Code Enforcement - When homeowners or residents see a violation in the community, please call Code Enforcement at 404-687-3700. Calls are anonymous, so residents should not be afraid to call and report compliance issues.

Trash Cans – DeKalb County Board of Commissioners adopted a once-per-week trash collection schedule in July of 2015. Residents should be aware that they are required remove trash cans from the street immediately "after" their designated trash collection pick up day.

Automobiles Speeding within Community - To prevent and/or cut down on speeding vehicles within the community, and as a preventative measure, homeowners and/or residents should write down or use mobile phones to video the vehicle and report it to the East Police Precinct. We don't want to have any of our children or family members hurt as a result of this reckless behavior.

Adjournment - A motion was made by Secretary Diamond, seconded by Vice President Dickey, and passed unanimously. Meeting adjourned at 7:55pm.

The next Board meeting will be the Annual Members Meeting scheduled for Thursday, December 1, 2016. Sign in begins at 7pm.
